

## About

### Music app

Music App is your go-to platform for exploring lyrics from all your favorite songs — anytime, anywhere. Whether you're looking to sing along, understand the meaning behind the music, or just read the words of a track you love, Music App has got you covered.

We don't stream music — we focus entirely on the words. With a massive collection of lyrics across all genres and languages, Music App makes it easy to search, read, and share the lyrics that move you.
